Wi-Fi setup on your Apple device

Please note that some options may vary depending on your make, model, apple version, as well as any theme and/or settings that you may have applied to personalize the device for yourself.

- 1. Navigate to the settings option of your device and click on Wi-Fi or whichever option is applicable to you for setting up Wi-Fi on your device. Click on Wi-Fi. Turn on Wi-Fi and select whichever Wi-Fi network you want to connect to.
- $\ \ 2. \ \ Click \ on \ NMMU_Student \ \ or \ \ NMMU_Staff. \ \ Which ever \ \ option \ is \ \ applicable \ to \ \ you. \ \$
